usmanabdulallahbn@gmail.com

Thank you for selecting my resume to explore further!

I am a React developer with expertise in web development. I specialize in building modern and responsive websites using React.

ABOUT ME:

I am currently expanding my skillset to Full (MERN) -Stack Development. With a strong foundation in Front-End Development and experience utilizing React,

Projects:

MERN Ecommerce 24: It's an excellent opportunity to dive deeper into the MERN Stack and learn how to create a comprehensive e-commerce application.
